Subject: [EXTERNAL] Kansas Corporation Commission: Black Tea Oil

Mr. Cory:

Per our telephone conversation, Black Tea Oil has been penalized in the following dockets (which are available online) since January 1, 2013:

- a. 13-CONS-199-CPEN, which assessed a \$500 penalty for one violation of K.A.R. 82-3-600 (Failure to timely remove fluids from a pit);
- b. 13-CONS-270-CPEN, which assessed a \$500 penalty for one violation of K.A.R. 82-3-107 and K.A.R. 82-3-130 (Well Completion Report);
- c. 13-CONS-383-CPEN, which assessed a \$500 penalty for one violation of K.A.R. 82-3-107 and K.A.R. 82-3-130 (Well Completion Report);
- d. 13-CONS-457-CPEN, which assessed a \$1,500 penalty for three violations of K.A.R. 82-3-107 and K.A.R. 82-3-130 (Well Completion Report);
- e. 14-CONS-641-CPEN, which assessed a \$100 penalty for one violation of K.A.R. 82-3-602 (Surface Pit Closure Form);
- f. 14-CONS-677-CPEN, which assessed a \$500 penalty for two violations of K.A.R. 82-3-608 (Waste Transfer Form); and
- g. 14-CONS-812-CPEN, which assessed a \$500 penalty for one violation of K.A.R. 82-3-126 (Tank Battery Identification).

Staff is currently reviewing the situation at the Krebs lease, which Staff anticipates will result in the issuance of a number of additional penalties. Let me know if I can be of further assistance.

Cordially,

Jon Myers
